Interplastic Manufacturing Co. earns Governor's Safety and Health Award *Employees work over 1 million hours without lost-time injury*

FRANKFORT, KY (Jan. 6, 2010) – The Kentucky Labor Cabinet recently awarded the employees of the thermoset resins division of Interplastic Manufacturing Co. in Fort Wright, Kentucky with the Governor's Safety and Health Award for working over 1 million hours without a lost-time injury or work-related illness.

The award is given to employers and employees who together have achieved a specified number of hours worked without a recordable injury or illness.

Interplastic Manufacturing Co. employs 53 at its Fort Wright facility. Interplastic's thermoset Resins Division is the leading manufacturer of unsaturated polyester, vinyl ester and specialty resins, gel coats, and colorants for the composites, cast polymer, and solid surface industries.
